A Message From The Camp Director...

If you are reading this brochure trying to figure out what the TJSBC's are all about, that means over the last three years your child has been missing out on a treat!

Past campers have found great maturity in there game as a result of the environment of the TJSBC's. This year's camps will follow much of the same format with more intense training and teaching in the following areas:

- Shooting FUN-damentals
- Defensive FUN-damentals
- Offensive FUN-damentals
- Passing FUN-damentals
- *and* Dribbling FUN-damentals!

In our fourth year, the TJSBC's are bigger and better than ever! Returning campers and there parents will agree upon the impact this camp has had upon the life of there child(ren). Do not miss out on another summer of the mental, social and physical growth your child can achieve through TJSBC's!

Terry D. Jones, Camp Director

Jones led the Charger Boys in a triumphant 2009-10 campaign. The Chargers finished Champions in the Coastal Plains Independent Conference, and finished ranked 6th in the state amongst 1-A NCISAA Schools, competing regularly amongst the nation's best. While graduating a valued senior class, including two student athletes who will be competing in Division I basketball next year, the Charger's look ahead to another solid year!
