

CHARGER CLUB

The Charger Club serves as Wayne Country Day School's Booster Club. Its focus is to provide extra spirit and funding for the Athletic Department and student athletes. All the money raised by the Charger Club goes to support the WCDS athletic teams.

Charger Club activities are managed and supported by volunteers. Additional support is provided through various projects such as cleaning, painting, and repairing athletic facilities and fields. Primary fund-raising activities include the Charger Café (operated during the Basketball season), concessions at other home athletic events, Charger Club clothing and goods, Press Box advertisement in the gym, and advertisements on the baseball and soccer field.

Join the team today! GO CHARGERS!!

Mission Statement

The mission of the Charger Club is to support and provide additional funding for the Wayne Country Day School Athletic Department.

The Charger Club accomplishes this mission through fund-raising events throughout the academic year.
